Christmas Party

The Christmas Party was held at the end of November, with a good attendance.

James Carlisle dominated the awards ceremony, winning the club championship and the club handicap event. He also received the Stephen Howes Award for the most improved player – well-deserved as he only took up croquet again this year after a break of twenty years.

The Lawns

Above is a photo of the lawns after laser-levelling. It is expected that it will be around the middle of January before the lawns are playable.

In the meantime, Mosman Croquet Club has kindly invited Cammeray Members to play there on Tuesdays and Thursdays from 9.30 to 12 (with a break for coffee and cake!)

Tournaments

Eire Cup: The NSW Team to play in the Eire Cup has been announced: four Cammeray members have been selected – Rosie Landrebe, Jo Brown, Alison Sharpe and James Carlisle. Congratulations to these players! The Eire Cup will be played in Perth in April 2026.

Cammeray Silver Championship: After a close battle, David McGrane beat Margaret O'Brien to win the silver competition.

Corporate Hires

Around Christmas is a profitable time for corporate hires. Club members show the attendees how to play golf croquet, then they play some games and have food and drink. A good time for all.
